Patient-Led Research Fund Webinar Agenda

Jul 9 2025 13:00 - 16:40 ET

Zoom Link: https://us02web.zoom.us/webinar/register/WN_FIN9_eVjRdmKFJ9WnlpMkw#/registration

 Presenter	Patient Rep	T Title	 Time	 Type
PLRC Team	-	Welcome & Introductions & Short Process Talk	9 Jul 1:00 PM ...	PLRC Team ▾
Braeden Charlton, PhD Candidate, Vrije Universiteit Amsterdam, Netherlands		Skeletal Muscle Abnormalities in Long COVID	9 Jul 1:15 PM ...	Study Present... ▾
Caroline Dalton, PhD Associate Professor of Neuroscience and Genetics, Sheffield Hallam University, England	Michael Natt	Fibrinoid microclot quantification in plasma from people with Long COVID and ME/CFS	9 Jul 1:30 PM ...	Study Present... ▾
Liisa Selin, MD, PhD Professor at University of Massachusetts Chan Medical School / Selin Lab, USA	<i>Megan Fitzgerald, PhD</i> <i>Rivka Solomon</i>	Altered T cell responses in Long COVID (PASC) and ME/CFS	9 Jul 1:45 PM ...	Study Present... ▾
David Esteban, PhD Associate Professor of Biology and Director of Biochemistry, Vassar College, USA	<i>Tess Falor, PhD</i>	Alterations in tryptophan metabolism in the gut microbiome of people with ME/CFS and Long COVID	9 Jul 2:00 PM ...	Study Present... ▾

Patient-Led Research Fund Webinar Agenda

Jul 9 2025 13:00 - 16:40 ET

Zoom Link: https://us02web.zoom.us/webinar/register/WN_FIN9_eVjRdmKFJ9WnlpMkw#/registration

 Presenter	Patient Rep	 Title	 Time	 Type
Megan Fitzgerald, PhD PLRC	-	Nothing for us without us: Aligning research funding with patient priorities	9 Jul 2:15 PM ...	Patient Repre... ▾
		Break (10 Minutes)	9 Jul 2:30 PM ...	PLRC Team ▾
Roshan Kumar, PhD Head of Research, HiFiBiO Therapeutics, USA	<i>Rivka Solomon</i> <i>Megan Fitzgerald, PhD</i>	T cell dysregulation revealed by single-cell profiling of ME/CFS and Long COVID patients	9 Jul 2:40 PM ...	Study Present... ▾
Per Sjögren, MD & Bo C Bertilsson, MD Associate professors at Karolinska Institute / Bragée Clinics, Sweden	<i>Tess Falor, PhD</i>	Surgery for foraminal stenosis in ME/CFS	9 Jul 14:55 G...	Study Present... ▾
Wenzhong Xiao, PhD Director of Immuno-Metabolic Computational Center at Massachusetts General Hospital, Harvard Medical School, USA	<i>Becky Taurog, PhD</i> <i>Chimère L. Sweeney</i>	Systems Biology Approaches to Drug Repurposing for Long COVID and ME/CFS.	9 Jul 15:10 G...	Study Present... ▾
Alain Moreau, PhD Faculty of Dentistry		Epigenomics of Long COVID: Insights, Breakthroughs, and Emerging Hope.	9 Jul 15:25 G...	Study Present... ▾

Patient-Led Research Fund Webinar Agenda

Jul 9 2025 13:00 - 16:40 ET

Zoom Link: https://us02web.zoom.us/webinar/register/WN_FIN9_eVjRdmKFJ9WnlpMkw#/registration

 Presenter	Patient Rep	T T Title	 Time	 Type
(Department of Stomatology) Faculty of Medicine (Department of Biochemistry and Molecular Medicine) Université de Montréal, Montreal, QC, Canada Scientific Director, Viscogliosi Laboratory in Molecular Genetics of Musculoskeletal Diseases Azrieli Research Center, CHU Sainte-Justine, Montreal, QC, Canada				
		Break (10 Minutes)	9 Jul 15:40 G...	PLRC Team ▾
Janet Mullington, PhD Professor of Neurology Beth Israel Deaconess	<i>Letícia Soares,</i> <i>PhD</i>	Characterizing non-restorative sleep in post-viral disease to advance intervention innovations	9 Jul 3:50 PM ...	Study Present... ▾

Patient-Led Research Fund Webinar Agenda

Jul 9 2025 13:00 - 16:40 ET

Zoom Link: https://us02web.zoom.us/webinar/register/WN_FIN9_eVjRdmKFJ9WnlpMkw#/registration

 Presenter	Patient Rep	Tt Title	 Time	 Type
Medical Center And Harvard Medical School Vice Chair for Research in Neurology at BIDMC Program Director of the Clinical Research Center at BIDMC				
Michael Peluso, MD Assistant Professor of Medicine, University of California, USA	Anisha Sekar	Monoclonal antibodies in Long COVID: what needs to happen next	9 Jul 16:05 G...	Study Present... ▾
Moderated by Julia Moore Vogel with Liisa Selin, Janet Mullington, & Roshan Kumar (research grantees), Anisha Sekar (patient rep), and Hannah Davis (PLRF admin)	-	Advancing Long COVID Research: The Power of Patient-Centered Science and Patient-Driven Funding	9 Jul 16:20 G...	Round Table ▾
PLRC Team	-	Closing Remarks	9 Jul 16:35 G...	PLRC Team ▾
