

# ISLA Individual Member – FAQ

## About ISLA

The Islamic Schools League of America (ISLA) works in partnership with educators, organizations, and universities to foster the development, growth, and quality of Islamic education primarily by establishing networks, providing resources, disseminating knowledge, nurturing leadership, and carrying out critical and foundational research on Islamic education and full time schools.

## ISLA currently connects:

- 400+ full-time Islamic schools across the U.S.
- Over 8,000 educators and administrators
- More than 100,000 students from diverse Muslim communities

By becoming an individual member, you join a nationwide movement to strengthen Islamic schools across the United States and beyond!

## What Are the Benefits of ISLA Individual Membership?

### Members-Only Access

- **Quarterly Members-Only Gatherings:** Engage in meaningful dialogue with other individual members and ISLA leadership.
- **Discounted Professional Development:** Enjoy reduced registration on ISLA PD offerings, including our virtual symposiums, in-person Leadership Retreat, and virtual professional development. Check out upcoming events [here](#).

### Contribute and Connect

- **Engage:** When opportunities arise, engage with ISLA on initiatives that serve and uplift our community.
- **Submit a Blogpost:** Share your insights with the broader Islamic education community through a featured blog on ISLA's website. This may also highlight a product, service, publication or other beneficial service or product for Islamic school community members.

### Corporate Member Discounts

- Individual members receive special pricing and select offers from ISLA's corporate partners, which support Islamic schools with products and services tailored to the field of education.
