

Alumni Meet

The alumni meet is a fun way for kids to have a first season meet in a very low stress atmosphere (alumni cheat) and then it is followed by a water polo game; alumni versus current swim and dive members.

The alumni meet should be scheduled prior to any swim meets and is meant to be an opportunity for new swimmers to experience a swim meet and for new parents to learn how to volunteer on the pool deck. The boosters will coordinate the volunteers and the coaches will advertise the meet.

There was a long hiatus with no alumni meet, so advertising should be done on social media and on email contact lists. Do everything you can to get the word out! Alumni just show up, they do not have to RSVP ahead of time. The coaches will coordinate the alumni as they arrive.
