“Sudie Possible” Donation Detail

Q: What is a sign up party?

A: A sign-up party is an “event” that is sponsored by a parent or group of parents. The sponsors are in complete control of the party, including the event theme, event date and time, how many people and age of the participants.

Q: How does Sudie PTO make money?

A: The cost of hosting a sign-up party is a part of the sponsorship and is considered an in-kind donation to Sudie PTO. The cost that attendees pay goes to the Sudie PTO general fund. For example, a Pool party can be at a host house and they provide Pizza and soft drinks for a cost of \$100. If the event draws 20 scholars at \$20 per attendee, \$400 goes to the general fund.

Q: How many people can we host?

A: That detail is completely dependent on the event and sponsors. A typical event will have 1 to 5 sponsors so that they can spread the cost and details across multiple people or families?

Q: How much does it cost to attend an event?

A: This detail is also highly variable. We recommend that a student party be in the \$20 to \$40 range. Adult parties can include much more benefits so the pricing can be more per person or couple.
