NEW!

Don't you just like the sound of that word? We like new

things – mostly. Granted, sometimes we prefer the old familiar over the new. But at Christian Media Incorporated, we are excited to have our new transmitter! It has been five years in the making and lots of saving and fundraising, but on October 29th and 30th all that effort culminated in the installation of this new piece of equipment. Our old transmitter served us well for 34 years, but it was struggling and needed to be retired. Many businesses and individuals made this possible and we give thanks to the Lord for each of them! You can visit our website to see all the pictures of the process of installing this

When you visit our website to see pictures of our new transmitter, be sure to take a look at the pictures taken during our International Day of Prayer for Persecuted Christians. This is a special observance that takes place the first Sunday of November each year. This year, Calvary Memorial Church in Gering hosted our event and just over 50 people joined us from several churches around the area. During our "Secret Service", we watched a short video depicting the dangers facing Christians in the "red zone" of the country

God was going to put a NEW spirit in His people. (Ezekiel 11:19)
The Lord promised to send grain, NEW wine and olive oil. (Joel 2:19)
The promised glory of the NEW house. (Haggai 2:9)
Joseph gave NEW clothing to his brothers. (Genesis 45:22)

of Colombia, Andrew Vakoc gave a short message and prayer was offered for our suffering brothers and sisters in Christ around the world.

This month, we are excited to celebrate the season of Thanksgiving. We are called to be a thankful people and, indeed, we have much to be thankful for. We are thankful to live in a country where we enjoy many freedoms that our brothers and sisters in Christ around the world do not have. We are thankful for our salvation in Christ and His coming eternal kingdom of righteousness. We are thankful for the opportunity to serve Him in this life and proclaim His message. And we are thankful for each of you who support the work of this ministry so we can continue to share Jesus "on the Air and On the Street"!

Happy Thanksgiving to you and yours from all of us at Christian Media Incorporated!

Thankful,
Russ Garrett
General Director
