

COVID-19 Video Resources

[The Chicken Wing](#) - A PSA created in early March as the Pandemic was beginning to pick up. We had planned to release this for our students on 3-13-21.

[A Message from the Superintendent](#) - A Message from our Superintendent to students, parents, and the community as the shock of the shutdown for the remainder of the year was announced.

[NP Right Now](#) - The pandemic could not stop our live monthly program to our schools. We found a way to keep broadcasting live just a week after the shutdown. This is our April edition of NP Right Now live to all of our students, staff a community. Right on Schedule.

[Teacher Appreciation](#) - An apple a day, keeps the doctor away. That was the hope as the NPSD administration shared this message of appreciation for all our teachers.

[Together](#) - Our opening day message. We can do this Together.
