

CELP BURSARY

CELP is an optional education program that lies outside of the traditional education funding stream. As such operational costs are not covered by the UGDSB and there has to be a charge for participation. ***We strongly feel that no student should be denied the experience due to economic circumstances.***

CELP is a full semester program. Fees cover the cost of renting the site, bussing for trips, field camp, use and replacement of camping gear, materials for projects and numerous other costs above and beyond the cost of taking classes in regular school.

Current CELP Fee: \$250

Are you able to pay part of this fee through School Cash Online? Please state how much below:
