This template is to be filled out by a committee's CHAIR. Either way, an invitation must be proposed by a member of the committee and voted on as a procedural vote. A motion should take the format of "_____ moves to invite _____ on the topic of _____ during session _____," and the chair can ask follow-up questions as is necessary to fill out this template.

Upon vote and passage of this invitation, it shall be sent to the Secretaries General via email at modelun@colorado.edu. Upon receipt, it will be converted into letter format and provided to the relevant delegate in the General Assembly. If such a delegate is not present in the GA, or any other committee, the Secretaries General will return to the requesting committee and inform them of the absence.

Remember, their response to this invitation is VOLUNTARY. A nation may or may not agree to attend for all or some time as is their right.
