Basketball Scoresheet

Before the game starts…

A. Enter Top info – Game: (Who's playing)
Division: (Age Group [**Bantam, Juvenile, Junior, Senior**])
Played at: Central
Date: mm/dd/20yy

B. Enter Rosters – ***VISITORS AT TOP, HOME AT BOTTOM*** – Make sure they have jersey numbers written down. Get rosters from coaches and complete this as early as possible! Have coaches indicate starters * ,captain, & sign/print at bottom.

---

1. Jump ball - **POSSESSION** – at the beginning of the game INDICATE who won the jump ball on the score sheet with 'X'. Also, indicate possession with the ARROW SIGN. After the opening jump ball, point the arrow in the direction the losing team is going (CONFIRM WITH REF WHAT THEY WANT!). When a jump ball situation occurs again (ie held ball), the team that is going in the direction of the **possession arrow** gets the ball. The **arrow** then swaps to point for the other team after ball is inbounded. Switch at ½.
