# \*6 to mute / \*6 again to unmute

X:00	Welcome/Introductions Ask folks to state name/affiliation
X:00	Re-cap of last call  As a standard practice we re-cap the last call if there was one. We likewise make sure people are clear on the overall purpose being worked on and a quick history of how we arrived at this point. We do this in 5 minutes or less
X:00	Purpose of the Call List topics here, space for a detailed description follows. More than 4 objectives, unless some are very quick, are difficult to unless the call is long Leave with clear next steps (this is the last objective on all BACCC Agendas as it forces clarity at the end of every meeting or call)
X:00	Background / Context Since we last met  • Where we left off, where we are picking up again on this call
X:00	Insert Agenda Item Insure you have a PROCESS to accomplish your agenda item – pure discussion rarely achieves the outcome, there has to be a process behind it
X:00	Insert Agenda Item
X:00	Insert Agenda Item
X:00	Updates as desired
X:00	Next Steps  Work with the group to outline realistic next steps clarifying who, how, and by when.  Avoid coming up with these yourself – if they come from the group, they are more likely to be accomplished.  • Set date for next call, if applicable
X:00	Adjourn
