

The Coaching Profit System Recap

For aspiring online entrepreneurs, affiliates, and digital business owners who want a done-for-you coaching business that earns high-ticket and recurring commissions, and also get personal guidance and easy-to-follow training to create and launch their own digital offers.

Why I Created The Coaching Profit System (CPS)

Why this exists: most people want the outcomes of a coaching business without the heavy lifting. CPS gives you a fully built coaching funnel, automated follow up, affiliate recruitment, and traffic, with my team delivering the coaching. You also get top level access to Online Success Coaching (OSC) which will enable you to create and sell your own products in record time, so you are building long term assets as you earn.

Who it is for: action takers who want a proven business quickly, even if they are new. No hosting or tech needed.

Problems it solves: no product to sell, no coaching team, no affiliates, no traffic, no follow up. CPS covers all of this.

Outcomes you can achieve: 100% commissions on OSC sales, 50% lifetime share from recruited affiliates, traffic flowing to your funnel, and your own products launched with our guidance.

The gameplan we work on together: we set up your branded coaching funnel and automation, connect accounts, start affiliate recruitment and traffic, coach you weekly, and guide you to create and launch your own product.

If that's you, here's what awaits you inside The Coaching Profit System

#1 Your 100% Done-For-You Coaching Funnel

Branded to you, fully set up, with landing page, lead magnets, and training, plus an automated daily follow up sequence that nurtures and sells on autopilot. This removes the technical barrier and gets you in a position to generate revenue fast.

#2 License To Sell Online Success Coaching (OSC) at 100% Commission

Keep **100%** on every \$997 OSC sale through your funnel, and receive **50% on qualifying upgrades**, so you can earn immediately while we deliver the coaching to your customers.

#3 Your Own JV Program + 12 Months of Affiliate Recruitment

You get a ready-to-use affiliate hub so others can promote OSC for you. For **12 months** I personally recruit affiliates for CPS members to promote [Online Success Coaching](#) and we split profits **50/50 for life** on sales those referred affiliates generate. This compounds your reach without extra effort.

#4 12 Months of Traffic to Your Funnel

We send targeted visitors to your coaching funnel to kickstart results while your automated sequence converts leads into sales.

#5 Direct Promotions From John

I will endorse and mail to **150,000+ subscribers** and **15,000+ affiliates** for the offers you create, multiplying exposure and sales potential.

#6 12 Months of Live Coaching and Personal Access

Group calls plus one-to-one support, and we coach your buyers too. You are never left stuck, and you get the same depth of help your customers receive.

#7 Top-Level Access to [Online Success Coaching](#) (OSC)

You get **full access** to OSC training, resources, and updates. This is the flagship coaching program your customers receive, and you have it all to accelerate your own growth.

#8 Coaching to Create and Launch Your Own Offers

We show you how to **create and sell your own digital products fast** using our step-by-step system and AI tools, then help you launch with the community and add OSC in your members' area as a high-converting backend. This builds a real asset that keeps paying.

#9 Hard-Coded Members Area Positioning

Members are tagged to you for ongoing upgrade revenue so you keep getting paid as they ascend. This protects future earnings.

#10 Fully Hosted, No Tech Headaches

No hosting required. We manage the infrastructure and connect everything to your accounts so you can focus on growth.

That's it. Just the critical stuff you need, nothing more & nothing less.

The Duration

12 months of hands-on partnership and support, including affiliate recruitment and traffic, with continued earnings from hard-coded positioning beyond that period.

The Investment

- **Monthly plan: \$297 today**, then 11 additional monthly payments of \$297.
- **Best value one-time: \$2,997 single payment, save \$567 instantly.**

Both options include a 14-day money-back guarantee.

Important: You must have active ClickBank and AWeber accounts to participate. These are required for setup and to receive commissions.

What Happens After 12 Months Together?

By the end of your first year, you can reasonably expect to have:

- A live coaching funnel with automated follow up and steady traffic.

- A growing base of recruited affiliates producing sales you share 50/50 for life.
- At least one of your own digital products launched, with OSC integrated as a backend to increase customer value.

Regardless, you emerge with a fully operational, asset-based business that earns from your own offers, front-end OSC sales at 100% commission, and lifetime revenue from affiliates assigned to you.

Over the past 17+ years, I've helped more than 3,000 people start and scale online businesses, generating millions in commissions.

CPS combines everything I've learned into one system that allows you to build a real business the smart way, by leveraging my experience, team, and infrastructure.
