Marshall County School System has introduced a new school lunch payment system, LINQ Connect 2024.

LINQ Connect is a secure, online payment system that allows parents to:

- Make an online payment to their children's cafeteria accounts.
- Remotely monitor their children's accounts.
- Set up automatic recurring payments.
- Set up low-balance email message alerts.

Fees:

There is a $2.85 convenience fee per transaction charged by LINQ Connect for prepayment to cafeteria accounts.

NOTE: Funds can be deposited to your child's account via check or cash and there is no transaction fee.

Register: Create an account at https://linqconnect.com and select register.

Verify Account: Click the email verification link sent to the provided email address to verify your account.

Sign In: Sign in at https://linqconnect.com using your email and password. Please note: You will need to add your student(s) to your LINQ Connect account.

Click on +, then type, Marshall County School District in the "District*" field and complete the information to link your student; First Name, Last Name, Birthdate, and School

You will need to complete this process for each student you wish to add.

Download the LINQ Connect Mobile App:

For seamless access to your child's account, LINQ Connect offers a free mobile app for iOS and Android devices. Install the app through these links:

iPhone – Apple Store

Android – Google Play Store
