

Frequently Asked Questions

Do I need to have previous experience to apply?

No need! If you are passionate about empowering the youth to create social change, please apply. We would love to meet you!

How many members are you accepting per team?

There's no specific number, but we are hoping to have at least 5-10 members depending on the team.

How much time commitment is the organization?

It varies. Our organization is output-based so we don't expect a certain time commitment as long as you can fulfill all your responsibilities which vary depending on your position. Some teams may also have more responsibilities than others.

How long is my commitment to this position?

1 year if you are an Executive Head or Team Member. Volunteers do not have an official commitment to the organization and can choose to help out for initiatives of their choice.

What are the benefits of joining the Kabatapang PH family?

You will gain new skills, get an awesome learning experience, meet a wonderful community, and the unique opportunity to empower the Filipino youth! We will also give certificates of recognition for future job, organization, or school applications. Additionally, we can also provide recommendation letters if necessary.

What is the difference between the Outreach and Advocacy Team?

The Advocacy Team is focused on more educational projects like conferences, workshops, and programs that aim to educate the youth on how to create meaningful change. The Outreach Team is focused on fundraising projects that aim to raise money for important causes affecting the youth and for vulnerable youth.

Can I apply for more than one position?

Yes. If you wish to apply for more than one position, please tell us during your interview. However, we will only pick you for one position- preferably the one you submitted during your written application.

Is there an age limit for volunteers?

No. There's only an age limit for Executive Heads and Team Members since we are a youth-led organization.

Are volunteers automatically accepted to the organization?

Yes. They only need to submit the application form to be accepted.

What happens if I am not accepted to my chosen position?

We typically accept most applicants. However, if you so happen not to be accepted to either an Executive Head or Team Member position, we will accept you as a volunteer.

Where can I find Kabatayang PH?

You can find us on Facebook (Kabatayang PH) and on Instagram (@kabatayangph).

More Questions?

If you still have any other concerns or inquiries, do not hesitate to shoot us an email at kabatayangph@gmail.com or DM us on Instagram. You may also personally reach out to Emma Ong via email at emmaabigailong@gmail.com or send a message to Emma Ong on Facebook Messenger.

Have a great day and we wish you the best of luck with your application!
