

Canyon High School

Senior Scholarship Guide

I

2025-2026

Scholarship amounts and due dates are subject to change by donor organizations; this is a compilation of “potential” scholarship opportunities and is not an exhaustive list--further exploration is the responsibility of the student and family. Both exploring scholarships and applying for scholarships can take a great deal of time. Ultimately, scholarships are the responsibility of the student. Keep in mind that a scholarship should not ask for any form of payment.

It might be helpful to make a spreadsheet of scholarships and keep track of the ones you are eligible for and have applied to. Scholarships will continue to be added to this document throughout the year as organizations send them out. Please check it often! Scholarship tracker template:
