

[SAMPLE LETTER OF PARENT SUPPORT FOR TEACHERS, TO SEND TO YOUR SCHOOL PRINCIPAL AND VICE-PRINCIPAL (CC: YOUR SCHOOL BOARD'S DIRECTOR OF EDUCATION AND YOUR LOCAL SCHOOL TRUSTEE) – PLEASE FEEL FREE TO ADAPT THIS TEXT OR SIMPLY COPY AND PASTE AND USE FOR YOUR OWN LETTER.]

Dear [Names of Your School's Principal and Vice-Principal],

As a parent with a child/children at [Name of School], I am writing to show my support for the teachers at [Name of School]. I want to let you know that I trust our teachers, I value them, and I respect their ability to provide a comprehensive education for my child/children.

I believe that open and clear communication between teachers, parents, administration, and support staff provides the best opportunities for my child's/children's well-being and achievement.

I know that the ground has shifted under your feet over these last few months. I appreciate how destabilizing that must feel. I am alarmed by the Ontario government's disregard for our family-school relationship and the well-being and safety of our students. I want to be sure that you start this school year with my acknowledgment of your committed professionalism and my expressly stated trust in you and our teachers.

My family and I are looking forward to a great year at [Name of School], and we fully support you and your teachers as you continue to create a positive, welcoming, inclusive, and brilliant school environment.

Sincerely,
[Your Name]
