

October 2, 2022

WOW! What a fabulous first few weeks! I think it is a good sign and start to the year that it feels like we have been in school much longer than a few weeks! The kids have dived into our classroom and have seemed to be having a blast doing it. One of my favorite sayings is, "trick them into learning". The kids have been playing and engaged, while building friendships, trust, foundational skills, and so much more!

Book orders from September will come home on Monday. We will send our October flyers home on Tuesday. If you would like to place an order, please do so by next Friday. The books usually arrive the next week. Our class gets points when you order, which then means I can buy books and materials for the class. This is completely optional!

1. Go to <https://clubs.scholastic.com/home>
2. Create your own user name and password
3. Connect with a teacher and add the activation code: GY3Y8

Our class newsletter does not come out every week due to our weekly Communication Log in the binder and daily pictures on Homeroom about what our class is doing. Please continue to read [Mr. Wollberg's weekly newsletter](#) for updated information.

If you have any questions, please contact me at khowell@dist50.net or call 847-984-8871.

Thank you for your support!
Katie Howell
