Here's what you need:

4 cups Chex cereal

4 cups oyster crackers

4 cups cheese crackers, I used reduced fat Cheese-Its

4 cups mini pretzel twists, I only had pretzel sticks on hand when I made this

2/3 cup canola oil

2 taco seasoning packets, I use Taco Bell taco seasoning

In a doubled large brown paper grocery bag pour all the crackers and pretzels

Give it a good shake to mix up the crackers. Add the taco seasoning; I use Taco Bell taco seasoning.

Close the bag up by folding over the top a couple of times then give it a shake to distribute the taco seasoning.

Pour in the oil and fold the bag closed (at least twice) again and shake, shake, shake....shake, shake, shake....shake your baggie, shake your baggie....Okay so I got a little carried away, don't judge!

Anywho, shake the bag a bunch of times until all the crackers are well coated.

Let the mix sit in the bag on a baking sheet for at least 1 hour and up to 3 hours to absorb all the oil and seasonings. I just set mine on the dining room table and walked away for a few hours.

Mmmmmm Super tasty homemade Taco Snack Mix.

Now it's your turn to make some.

Enjoy!
