# Maddy Imagines: Projects

(Note - I accidentally deleted the last list, so this is the re-made version. I am planning to participate in more events as my 2027 resolution, so this will be getting more use soon! I might eventually convert it to a Google Spreadsheet, but this is functional enough for now)

**This is a list of all the projects I've participated in! This can range from collaborative ones such as zines or AMVs which require consistent communication, or individual ones such as contest entries, DTIYS entries, or other events which just require the final post to include the event hashtag.**

(In terms of complexity and social media visibility)
