

Picture Day

Friday, Sept. 6

Picture day will be a non-uniform day. Details from the *Parent Student Handbook* regarding dress down days can be found below:

NON-UNIFORM DRESS CODE FOR DRESS DOWN DAYS

- Dresses, skirts, shorts and skorts must be of appropriate length. Shorts and skorts must reach the student's fingertips with hands fully extended at sides.
- Dress jeans must be free of holes and fit properly.
- Jeggings and leggings are allowed ONLY if worn with a shirt that reaches the student's fingertips with hands fully extended at sides.
- Shirts, tops, and blouses must have sleeves and be of an appropriate length, covering waist band of chosen bottoms. Tank tops, net shirts, halter tops, tube tops, muscle shirts, spaghetti straps, bodysuits, crop tops, etc. are not permitted.
- Students may wear the PE uniform in its entirety, the PE uniform shirt/sweatshirt with jeans, loosely fitted sweatpants, knee-length sport shorts, or uniform bottoms. The PE uniform shorts meet the requirements of the dress down policy and may be worn with another appropriate, non-uniform short.
- St. Albert elite socks may be worn.
- Stretch pants/shorts and cutoffs of any style are not permitted.
- Flip flop sandals, backless shoes, boots or overly high heels are not permitted.
- Rules for makeup and jewelry apply for non-uniform days.

Other notes:

- If your child has P.E. on picture day, they should wear tennis shoes.
- Collared shirts are NOT required.
- Remember, only the top half of your child will be seen in the picture.
- Sleeveless dresses may be worn with a cardigan. Students can remove the sweater for pictures.
- A green screen will be used for the backdrop in order to offer a selection of different backgrounds. To avoid a "floating head" picture, make sure your child does not wear a top with any green in it.
- If you still have questions on what to wear after reading the policies above, use your best judgement.
