

MyTutor

Tutor resource bank for **KS2 students**

Twinkl

<https://www.twinkl.co.uk/> - A great website for English, Maths & Science as well as all other KS2 subjects. Has plenty of free worksheets, lesson plans and activities for you to download and use in the lesson space. You can easily filter by year (from Year 1) and topic, so you can also get a good idea of their curriculum here.

White Rose Maths

<https://whiterosemaths.com/resources/> - Despite the name, it has much more than Maths! They have a varied selection of free resources for KS2 pupils, and also a premium account option for some more fleshed-out resources.

They also have a very clear structure which replicates the KS2 curriculum. You can also filter this by year and subject.

Tes

<https://www.tes.com/teaching-resources/hub/primary> - While they have slightly fewer free resources, there are some fun and engaging ones that you can buy here!

BBC Bitesize

<https://www.bbc.co.uk/bitesize/primary> - Filled with activities for all years. If you can find a relevant game for the student to consolidate their knowledge with after the lesson, feel free to recommend something from here!

Education Quizzes

<https://www.educationquizzes.com/ks2/> - Get some ideas for an opening quiz here!

The School Run

<https://www.theschoolrun.com/> - Some valuable resources, but subscription required.

Kahoot

<https://kahoot.com/> - Create a quiz and finish your lesson with a fun activity to check their understanding.
