Relevant Experience

Undergraduate Teaching Assistant

*Kansas State University	Manhattan, KS*	January 2023 – May 2024

- Assisted students in debugging and testing Java applications in lab, reinforcing key object-oriented and software design principles
- Led weekly lab help sessions to assist students in debugging Java programs and deepening their understanding of core programming concepts
- Encouraged independent learning and problem-solving while fostering collaboration in lab environments

Technology Summer Support Assistant

*USD 383 School District	Manhattan, KS*	May 2024 – August 2024

- Assisted lead technicians with diagnosing and resolving hardware and software issues on staff and student devices across the district
- Facilitated tech deployment processes, ensuring efficient setup and operational readiness for the school year

Project Experience

CyberPipeline | JavaScript, Vue.js, Node.js, Express.js, Git, Agile

- Collaborated with a student team to develop a responsive, single-page web application for managing the CyberPipeline training program
- Tested and validated backend API endpoints to ensure correct functionality and data consistency
- Used Git and GitHub for version control, feature branching, and peer-reviewed pull requests
- Participated in Agile ceremonies, including daily standups and sprint planning

Other Experience

Dining Services Student Team Member

*Derby Dining Hall, Kansas State University	Manhattan, KS*	September 2024 – May 2025

Stocker Associate

Walmart | Manhattan, KS   June 2023 – August 2023
