

# Pre-course questionnaire

Thank you for applying for IE's Certified Interpretive Trainers (CIT) course.

For us in Interpret Europe, certified trainers are a vital part of our community since they are the ones sustaining but also developing our training programme. This is the reason why we always welcome competent, enthusiastic interpreters who consider interpretive training as an important part of their professional lives.

In order to know more about you, and make the most of this course experience, we would like to invite you to answer the following questions. As you will see, some of them are focused on your previous experience, and will help us understand your strong points and whether you meet the prerequisites we have for this position, whereas others explore your opinion and understanding of heritage interpretation today.

For any questions, please feel free to contact us.
