Mendon 3rd Ward

January 19, 2025

“.... I have actually seen a vision; and who am I that I can withstand God, or why does the world think to make me deny what I have actually seen? For I had seen a vision; I knew it, and I knew that God knew it, and I could not deny it, neither dared I do it; at least I knew that by so doing I would offend God, and come under condemnation”

Self Reliance Class

On January 19, 2025 we will be starting a Personal Finance Self-Reliance class in the College/Young Ward building beginning at 6:00 p.m. Rodney Zilles will be the facilitator for this class. Anyone in the stake is invited to attend. It is a 12 week course that will be held once a week. To Register for this class please scan the attached QR Code. Many people throughout our stake have been blessed through the various Self-Reliance classes we have held. If you've yet to participate in one we hope that you would consider it. If you have any further questions you may contact our stake self-reliance specialist Ken Gibbons at kengi@digis.net.
