STATUS: closed

all commission payment has to be done only through **venmo** or a **roblox rbx gift link**, which ill send to you for payment after the initial sketch/lineart update!

first time opening comms if i do something wrong burn me at the stake (tell me ill fix it LOL)

**for the robux option of payment the amounts are limited to 5usd, 10usd, 20usd, and 50usd since those are the only choices </3, but the payment methods are way more versatile. it takes most cards + paypal*
