

Outta THEATRE Audition Sign-Up for

Alice's Adventures in Wonderland (Adapted by Tim Kelly)

Instructions:

1. Click [here](#) to register for class (**new** students/students not registered via My Music Staff)
2. Print and fill out [release form](#) (includes policies and fees) and bring to audition
3. Print [audition form](#) and bring to the audition.
4. Choose an audition time below and type in student's first and last name (or last initial)
5. All students should prepare a short monologue to perform from memory. Suggestions [here](#). We are looking for creative interpretation (movements, gestures, and c voice). This is also the chance for students who are not good readers to show us what they can do. Last minute sign-ups should try to accomplish this, but if they could at least present one without memorization, that would be helpful.
6. Students will also read sides from the script and will be asked to portray various characters (how they move and speak) with 1-3 lines per character.
7. A maximum of 2 students may sign up together if they prefer not to do it alone.
8. Upon arrival at the studio, students may wait in the main room and will be called upon when it is their turn. Auditions will take place in the music lesson room and will last approximately 15 minutes.
9. All students who audition will receive a part. Sixth graders may sign up for either audition day, though returning/experienced students are encouraged to audition on Thursday.
