

Ms. Lisa's Supply List (2024-2025)

Life can be so busy, so I'm offering the option to donate a suggested amount of \$25-\$35 to cover each student's supplies (any amount is appreciated!) Instead of you doing the shopping, I will do the shopping for you ;). This way I can get needed supplies purchased and labeled before students even come back to school!

Aside from the money donation, the only items I need you to provide is 1 set of **DURABLE headphones** that can last all year and a reusable **water bottle** (Please LABEL clearly with your child's name).

Supply List:

- \$25-\$35 Donation
- Durable Headphones
- Reusable Water Bottle

You can donate \$25-\$35 to the **Q1 office** for Ms. Lisa's Kindergarten Class or pay **online** here: [Quest Online Payments](#) (select "DONATIONS – CLASS SUPPLIES" and choose "K Teichert" for Teacher's Name). If possible, please make donation payments on or before Back to School Night. **Thank you** so much!

This is what your donation will provide for your student: 2 plastic pocket folders with prongs, plastic page protectors, Ticonderoga Tri-Write pencils (big triangular writing pencils), pencil pouch, dry erase markers, white board, large crayons, washable markers, glue sticks, kleenex, paper towels, antibacterial wipes, baby wipes, hand sanitizer, bandaids, ziploc bags, small toys for the prize box and STEAM supplies.

I often have parents inquire about wanting to give additional donations for the classroom. Your generosity is very much appreciated! Here's some **wish list** items:

- **extra headphones (always needed)**
- **extra prizes/small toys for the prize box (no food items, please)**
- KleenSlate Black **Dry Erase Marker with Eraser**, Bullet Point (Amazon link [here](#))

NOTICE: The items on our list will be used during the regular school day. Donations are voluntary; otherwise they will be furnished by the school.
