Social Studies

My name's Matilda. I'm from Texas, USA. I live in a house with a big garden. It has got a big basement too. Yesterday, there was a tornado in my town. It was fast and dangerous. There were cars, bikes and trees in the sky. There weren't people in the streets. My family and I were in the basement. It was scary!

Safety tips

1. Go down to the basement.
2. Don't stand next to windows.
3. Be careful!

A collage of images on a wooden background. At the top left is a photo of a woman wearing a cowboy hat. To the right is a green sign that says 'Social Studies'. Below the sign is a speech bubble containing text about a tornado. At the bottom left is a yellow box with 'Safety tips' and a list of three instructions. To the right of the text is a cartoon drawing of a tornado with a face and arms. There are also two photos of actual tornadoes: one in a field and one over a street.
