

WCSD Elementary Expectations 2022-23

These expectations, along with our continued use of the PLC process and the use of the district programs, will allow EACH student to achieve at high levels.

Goal 1: Improve Tier 1 Instruction in Math and Literacy. Focusing on Small groups and center/independent time (literacy). PLC Questions: 3 & 4

We will focus on small group instruction in Reading using the checklists provided.

We will provide feedback on Math look-fors in-whole group setting to teachers.

We will provide training and support on these checklists for principals.

We will observe and provide feedback on each teacher's small group instruction in Reading.

We will increase our own learning by taking LETRS training.

Goal 2: Acadience Growth and Proficiency-75% of students achieve typical growth with a 3%+(School Specific) increase in proficiency. PLC Questions: 2,3

Will create and utilize an Acadience Plan BOY & MOY.

We will monitor a minimum of once a month on Progress Monitoring each teacher on Reds/Yellows. Follow-up if needed with teachers. Instructing teachers how to use the data gathered.

Utilize Pathways of Progress during our data meetings every six weeks.

*70% of 3rd grade students will be reading on grade level according to Lexile measure.

Goal 3: Rise Median Growth Math and Language Arts-All 4th & 5th grade teams achieve a median growth score of 50% or higher. If below grade, students will make higher than 50%. PLC Questions: 1, 2, 3

Give Rise Module's following sequence laid out. ([Attachment](#))

Use Rise Modules to locate those areas of need: teach & re-teach & review question types.

Increase awareness of DOK questions on RISE. Incorporate into classrooms.

4/22

Ensure High Levels of Learning for Every Student
