#### **Senior A Semi Final**

We welcomed Killeedy to Mackey Park on Sunday afternoon for the Neville Jewellers Senior A County Championship Semi Final. On a lovely afternoon for camogie we got off the mark first with a point from Áine Reynolds after a great ball in from Orla Donnelly. Gemma Barrett who played in goals for Killeedy had a stormer of a game and saved five or six shots from our forwards. Sarah Cosgrove scored our next point before Valerie Shanahan slotted over two frees to draw the sides level. Íde Cunningham then scored Killeedy's third point to give them the advantage which was short lived as Noreen Flanagan slotted over a super point to again draw the sides level. Then it became all Killeedy as Shanahan scored another free and they got a goal and two points without reply. Our next score came from Noreen in the 29<sup>th</sup> minute before Valerie Shanahan scored the last point of the half to leave it Ahane 0-04 Killeedy 1-07. The second half got underway and Áine Reynolds scored first, just as she did in the first half. This time it was a well taken goal and the gap was down to three points. Noreen narrowed the gap some more as she scored a free, but Killeedy never let us get within more than two points of them. Ide Cunningham scored another from play before Fiona Herbert popped up with a point. Valerie Shanahan scored a 45, and then they got another from play. Judith clawed one back with a lovely point and then Áine fired over a free and again it was a two-point game. However, as we ticked into injury time Killeedy scored two more points and won out on a score line of Ahane 1-08 Killeedy 1-12.

#### **Junior B Plate Semi Final**

We travelled to Kilmallock to play them in the Junior B Plate Semi Final. Kilmallock made a strong start and had five points on the board before Tara Madigan got our first point. Kilmallock got two more points before Tara stepped up once again and got our second, this time it was from a free. Kilmallock got one from point in the half before half time. Half time score Ahane 0-02 Kilmallock 0-8. The second half started on much the same vain as Kilmallock a goal and two points before we got our first score of the half which turned out to be a bullet of a goal from Rebecca O'Sullivan. Caoimhe Hackett then got a point and Tara added to her tally for the night with another point. We ended the second half the stronger team and if the game went on for five more minutes the result could have been different! Full time Ahane 1-04 Kilmallock 1-11.

#### **U12 Camogie**

A fantastic well done to the 26 girls for our U12 girls camogie and Ahane Ladies Football team who braved the elements and took on the Bogathon in Co. Laois on Saturday!

The rain did not deter these determined ladies having a fantastic time ploughing through the mud, obstacles and water! Great team work and support was shown by everyone to get every girl through the course! A fantastic day out! Well done to all!

Many thanks to Crecora for travelling out to Ahane on Tuesday evening for a great evening of camogie in the U12 autumn league!
