

Things to know about me

Poop

Also I dint update this much so soke things may be outdated

✧ I don't use tone indicators much, but sometimes I do struggle to understand tone through text, so if I seem possibly upset at sum random ya said I probably just read it the wrong way cuz of my silly brain 😭

✧ I am not the best with properly using xeno/neopronouns so I may mess up a lot if you use only those; very sorry if it bothers you 🙏

✧ I use multiple names, mostly: Cassie, Niki, & online names; 5RE0R/Cas/5
- you can use any of those!

✧ I use she/her pronouns

✧ Sometimes I might ignore messages for no reason, so please don't take it personally if I don't respond for a bit!

✧ I use caps a lot! Usually when I'm excited, or for funny's. Never when I'm angry

✧ I make "homophobic" jokes, sometimes say slurs *I can reclaim*, and tend to not use tone-indicators often myself, if you're uncomfy with that, make sure to either not interact with me, or simply let me know, and I won't make them around you!

✧ My Discord is 5RE0R if you ever want to contact me!

Do Not Interact

✧ Homophobes, transphobes, xenogender antis, racists, sexists, any bigots in general

✧ Mspec + Bi 'lesbians'/People who think they're valid

(MEN CANNOT BE LESBIANS - LESBIANS CANT LIKE MEN SHUT UP)

✧ Republicans/Conservatives durr

✧ "Hazbin hotel" + "Helluva Boss" fans; any Vivziepop fans included

✧ Wilbur Soot supporters/defenders

✧ Brendon Urie fans/defenders

(He's a freakazoid sorry)

Heavy discomforts

✧ fireworks *(mostly the sounds and being near them)*

✧ loud gunshots

✧ Kys jokes (*Saying them directly at me/friends excluded*)

✧ “house of memories” by P!ATD (*very personal, lolz*)

Boundaries

✧ Do not ask personal questions such as my face, weight, height, etc

✧ Do not sexualize me in anyway - slight NSFW jokes are fine, but don't make any directly at/to me

✧ Please do not vent to me personally without asking - it makes me uncomfortable

✧ Use my correct pronouns/names - any misgendering or purposefully calling me different names to anger me in any way will most likely result in a block

✧ If you make me uncomfy I will block you, don't take it too personally

✧ Please don't give any criticisms to my art unless I ask for it!

Thank you for taking the time to read this!
