

Privacy Policy — JavaScript Learning App

Last Updated: August 31, 2026

This Privacy Policy explains how **JavaScript Learning App** ("we", "our", or "the App") handles user information.

1. Information We Collect

JavaScript Learning App is an educational application designed to help users learn JavaScript. The core learning features do not require users to provide personal information.

We do not intentionally collect:

- Name
- Email address
- Phone number
- Home address
- Passwords
- Contacts
- Photos or videos
- Precise location

2. Learning Data

The App may store certain information locally on your device, including:

- Lesson completion status
- Learning progress
- Bookmarked lessons
- Quiz results
- App preferences

This information is used only to provide a better learning experience.

3. Data Storage

Learning-related information may be stored locally on the user's device. We do not sell, rent, or trade users' personal information to third parties.

4. Third-Party Services

The App may use third-party services such as **Google AdMob** to display advertisements.

Third-party services may collect information such as device information, advertising identifiers, and app usage information according to their own privacy policies.

5. Children's Privacy

The App is intended for general educational purposes. We do not knowingly collect personal information from children.

6. Data Security

We take reasonable measures to protect information handled by the App. However, no electronic storage or transmission method can be guaranteed to be completely secure.

7. Data Deletion

Since the core features do not require an account, locally stored learning data can generally be removed by clearing the App's data or uninstalling the App.

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected by updating the **Last Updated** date.
