Thank you!

It's been so wonderful to experience the support of our community over the last few weeks as we've been blessed by the generosity of so many of you during this giving 'season'. As the Head of School, I simply want to proclaim a huge THANK YOU to our community for the blessing of your financial support.

- Our Front Office Makeover will move forward next summer, and we look forward to sharing the development of this.
- Our specific programs that we asked you to support will put these donations to good use. Look for some examples of this in future Cougar Couriers and social media posts.
- Our tuition assistance program will receive a boost to be able to support families that demonstrate significant financial hardship, even more!

As we wrap up the ITR campaign this year, please note that there is still an ability to give if you have some FOMO.

God is blessing our work through His people--thank you for being His people!
