

Privacy Policy

****Discover Toronto****

Last updated: September 7, 2026

Overview

Discover Toronto is a travel discovery app for the Greater Toronto Area. This Privacy Policy explains how we handle information when you use our app.

****Short version: We do not collect, store, or share any personal data.****

Information We Collect

Discover Toronto does ****not**** collect any personal information. Specifically:

- We do not collect your name, email address, or any account information
- We do not track your location
- We do not use analytics or crash reporting tools
- We do not use advertising SDKs or third-party tracking
- We do not store any data on external servers

All content in the app (city guides, restaurants, creators, holidays) is static and bundled within the app itself. No data is transmitted to or from any server.

Apple Maps Integration

When you tap "Get Directions" on a location, the app opens ****Apple Maps**** on your device. This is a standard iOS system action. Any data Apple Maps collects is subject to [Apple's Privacy Policy](https://www.apple.com/legal/privacy/).

Children's Privacy

Discover Toronto does not knowingly collect any information from children under the age of 13. The app contains no user accounts, forms, or data entry of any kind.

Changes to This Policy

If we update this privacy policy, we will update the "Last updated" date above.
Continued use of the app after changes constitutes acceptance of the updated policy.
