

PLUGGED IN DISTANCE LEARNING - YEAR 1-3:

Complete as many of these activities over the week, as you like...

Print and tick (✓) or **highlight** your completed tasks and ask an adult to sign them off

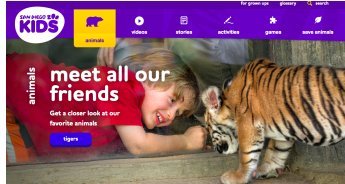

Art

Print out a colouring in page from the [Colouring Book](#) website and colour it in.

Science and Technology

Go online to the [San Diego Zoo](#) website. Watch some of the videos, learn about the animals and play some of the online games. Share with an adult what you found out about some of the animals.

Reading

There's lots to do on [Sunshine Online](#). Read some of the stories, play games and complete some spelling activities.

Maths

Play [Let's Compare](#). Follow the instructions on the screen to compare the sizes of the objects.

Movement and Dance

Click to watch [Kids Bop](#) dance videos and have a bit of a boogie in your lounge. Some of your family members might want to dance with you. Invite them to join in.

Maths

Play [Caterpillar Counting](#). Sequence and order numbers as high as you can go.

Unplug - Take a Break!

Get outside and throw a ball around, play with your family, draw, read, play a board game, go for a walk with your family or dance.

Reading/Viewing

Choose a story to watch online from [Story Online](#).

You might be able to read some of the words as you watch.

When the video finishes you could draw a picture inspired by the story.

Writing

Ask an adult if you can send an email from their email account.

Maybe you could email your grandparent or your aunts or uncles to say 'hi' and ask how they are doing.

Remember to include who the email is from!
