

## CALL TO ACTION #4: **Rage Against the Regime Protest on August 2**

*Collective protests in the streets are an important way to demonstrate public opposition to government policies and to build solidarity and momentum.*

<b>Background:</b>	<p>Voice your opposition to government changes that are impacting everyone. Stand up to the fascist takeover of our government. We must not continue sliding towards becoming the image of Germany in the 1930s and 1940s. Demand that our country and everyone in it be protected from the wannabe dictator who currently sits in The People's House.</p> <p>This is a bipartisan effort organized by 50501.</p> <p>Read about a protest at Tap House Grill, 123 W.
