

Tournament Rules:

1. **NO** using the cheat menu.
2. Follow **all** game rules
3. You **must** show your live screen and not a recorded video when playing a match
4. I am banning the use of the lv. 100 skip to skip the results screen
5. **DO NOT** Begin a run while trying to start. You may perform practice runs before the tournament or do what is needed to warm up
6. We Will all be playing on the web version for **PC** If you can't use pc and still want to join DM on Discord me at Evanatorgamer#8161 and we will work something out
7. Failure to follow the rules will result in **disqualification** so just follow the rules so we can have fun!
