

Hello, From 0 to 4 Paws team!

I was taking a look at your website and your ambition to expand into the world of e-commerce caught my attention.

Imagine being able to sell throughout Italy, your profit will surely skyrocket!

To do this, I analyzed other pet stores in Italy and found some improvements which, if implemented by you too, will allow you to create a list of loyal customers to whom you can also sell online.

Based on your needs we can define a clear goal and I will do everything I can to help you achieve it

Let's talk face to face to establish your online presence as quickly as possible without risk

P.S. As an extra, I revisited your latest Facebook post (attached) to make it more informative and engaging. With these improvements, we can persuade more customers to make a purchase.

I have many more strategies to share with you, and I look forward to discussing them on a call! Contact me as soon as possible and we can arrange a time that works for both of us
