

How to Set Up the GymMaster App

Step 1: Download the app onto your phone. (Be sure the BLUETOOTH is ON.)

Step 2: Open App, Enter email address then Click **Get My Login**

The image shows the login screen of the GymMaster app. At the top is a logo consisting of a blue hexagon with a white 'G' inside. Below the logo are two input fields: 'Email' with an envelope icon and 'Password' with an eye icon. A blue 'Log In' button is positioned below these fields. At the bottom, there are two links: 'Get My Login' and 'Forgot password?'. A black arrow points from a black box with the text 'CLICK HERE' to the 'Get My Login' link.

Step 3: Open Email. A link to set your password will be in an email from FF or GymMaster. Click the link to open the browser to set your password.

Step 4: Return to App
