***Mission - Connected through the theme of interdependence, students are challenged to construct knowledge through meaningful interactions with each other, the community, and the world. Creative and purposeful experiences that nurture the curiosity, potential, and uniqueness of each child are the hallmarks of our collaborative learning environment.***

***Vision - We will retain our commitment to experiential learning and developmental curriculum so that all students become proficient, critical thinkers. As responsible global citizens, students will be compassionate, inclusive, resilient, perseverant, resourceful, and ethical.***
