

Broadview Public School 2025-2026

The [OCDSB has developed a common list of voluntary school/classroom supplies](#). **This list of supplies is strictly voluntary;** parents/guardians are not required to purchase or provide the items listed and we are able to provide for our students. In many cases supplies purchased will be communal meaning a shared resource for the class. Please note the list for new grade 1 students will be sent out through School Messenger the last week of school.
We are also collecting a \$12/child or \$20/family voluntary school fee. This money will be used to purchase arts, crafts, games, recess, and project materials throughout the year, student recognition programs etc. School Cash Online, Cash accepted or cheques payable to Broadview P. S.
