

Dear Parents/Carers

News too good to leave until the end of term newsletter..... Yesterday Fishermoss School featured both on the radio and in the press as it was announced that we had won a top prize in the annual Eco-Schools Scotland Awards organised by environmental charity Keep Scotland Beautiful!

Nominees from more than 30 schools, across 17 local authority areas, were received but Fishermoss School scooped the Eco-Committee of the Year 2024 Award. Only three Eco-School Scotland Awards have been allocated in 2024. The judges were impressed by our whole school 300 strong pupil-led approach to Learning for Sustainability. We look forward to a special trophy presentation at school this coming week!
