BIPUL SAHA (to Everyone): 6:04 AM: Hello! This is Bipul from India.

Gijs (to Everyone): 6:04 AM: Attendee: Gijs Kleter, gijs.kleter@wur.nl

Pieter Spanoghe (to Everyone): 6:05 AM: Pieter Spanoghe, Ghent University, Pieter.Spanoghe@UGent.be

Zisis Vryzas, Greece (to Everyone): 6:05 AM: Zisis Vryzas, Democritus Univeristy of Thrace, Greece, zvryzas@agro.duth.gr

Caroline Harris (to Everyone): 6:05 AM: Caroline Harris, Exponent, UK

Caroline Harris (to Everyone): 6:05 AM: charris@exponent.com

BIPUL SAHA (to Everyone): 6:05 AM: Dr. B. Saha, NACL Industries limited, drbsaha@rediffmail.com

Malek (to Everyone): 6:06 AM: Kalumbu Malekani, Smithers, USA, kmalekani@smithers.com

Patricia Rice (to Everyone): 6:06 AM: Patricia Rice, BASF, patricia.rice@basf.com

JOHN UNSWORTH (to Everyone): 6:07 AM: John Unsworth, Consultant, UK, unsworjo@aol.com

Rice, Pamela (to Everyone): 6:08 AM: Pamela Rice

Rice, Pamela (to Everyone): 6:09 AM: Pamela Rice, USDA-ARS, Pamela.Rice@usda.gov

Gijs (to Everyone): 6:23 AM: Does the newsletter solely focus on committee outputs/activities or maybe even draw news from a wider field? (question from Gijs)

Zisis Vryzas, Greece (to Everyone): 6:24 AM: I think we should get good news from every possible source

Gijs (to Everyone): 6:25 AM: I'd volunteer for biotech items

Zisis Vryzas, Greece (to Everyone): 6:26 AM: Thanks Gijs anybody else?

Gijs (to Everyone): 6:30 AM: I remember Horacio was also interested in the zero residue topic

Gijs (to Everyone): 6:31 AM: Gijs: the idea in Ghent, as I remember, was to pick 5 crops to start with for the zero residue study

Zisis Vryzas, Greece (to Everyone): 6:33 AM: I am still interesting on zero residue project and I agree to include also Horacio on it.

Caroline Harris (to Everyone): 6:37 AM: Degradacion de Residuos de Plaguicidas en Huertos Fruatales en Chile. Roberto Gonzalez, University of Chile, 2002

horacio & veronica (to Everyone): 6:45 AM: Hi everybody, We are actually interested in participate in the project, we have some results that can be useful, for different crops

horacio & veronica (to Everyone): 6:46 AM: we have some papers in this pont

Rice, Pamela (to Everyone): 6:48 AM: I would be interested in helping with the Surface Water Project - Pam Rice

Gijs (to Everyone): 6:51 AM: Perhaps we could at least have another online meeting irrespective from real congresses?

Gijs (to Everyone): 6:52 AM: I could visit Ghent by car from my place

horacio & veronica (to Everyone): 6:56 AM: we will be for the EPRW at Granada. We will try yo reach whent the 19th

horacio & veronica (to Everyone): 6:56 AM: Ghent, sorry

horacio & veronica (to Everyone): 7:00 AM: or us it is great idea also a regular communication will make our work more efficient

horacio & veronica (to Everyone): 7:01 AM: every two months is more real

Zisis Vryzas, Greece (to Everyone): 7:02 AM: I agree too

Gijs (to Everyone): 7:04 AM: Thanks for hosting this call!

horacio & veronica (to Everyone): 7:04 AM: thank you
