2025-2026 Virtual Learning Plan for Students

ACCS Parents and Guardians:

In July 2022, a new law, HB 1093, was passed that changed how school districts conduct eLearning. This law states that school districts "may conduct not more than three virtual student instructional days that do not meet the established requirements." The information provided below explains how ACCS will continue to offer quality virtual learning for our students while meeting the requirements of this new law.

School Cancellation Plan

Teacher Professional Development Days: ACCS teachers will participate in four professional learning days on August 13, September 10, January 19, and February 16. These days are without instruction for students and will not need to be made up.

Make Up Day: School will be made up on November 26, 2025.

Canceled Days 1-3:Asynchronous (Video) Virtual Learning: The first three cancelled days after the use of November 26 will be asynchronous (video) virtual learning. This is the virtual learning framework that we have used for the past several school years. During our asynchronous days, teachers post lessons and activities on Schoology for students by 10:00 AM following a 2 hour delay or 11:00am following a 3 hour delay. Teachers will be available through email and Schoology messaging to support students until 3:00 PM. Attendance will be taken based on work completion within two days.

Synchronous (Live) Virtual Learning: Any additional school cancellations will use the required synchronous (live) virtual learning format. This means that the students' teachers will deliver instruction to students in real-time using student devices and the Internet. Please note that elementary will begin at 12:00 p.m. and middle/high school begins at 11:00 a.m. All students and teachers will follow the schedule below for this instruction, with students logging into each class via the Google Meet link provided on the course's Schoology page. ***Suppose your child cannot participate in synchronous (live) virtual learning. In that case, recorded videos of the day's sessions will be available after 3:00. All assignments are due on the morning of the 2nd day after the virtual day.***

Elementary School Schedule for Synchronous Live Instruction (Links will be in Schoology for each session)

12:00-12:30 Community Meeting
12:30-1:00 Special Classes
1:00-1:45 Reading Block
1:45-2:00 Break
2:00-2:45 Math

Thank you for your support as we work to provide quality learning experiences for our students while keeping them safe in times of inclement weather. We appreciate your partnership! If you have any questions or concerns regarding the virtual learning plan, please contact me by email at mccullom@accs.k12.in.us or by phone at 260.692.6629.

Sincerely,

Mary McCullough
Elementary Principal
