

1st Conditional	2nd Conditional
If I go shopping, I will buy some food.	If I had 10 million dollars, I would buy an island.
If it rains, you will get wet.	If I could fly, I would do it every day.
If he doesn't go to school, his mother will be angry	If I saw a ghost, I wouldn't be afraid.
If the car makes a loud noise, the dog will bark	If I were the President of America, I would invade Canada.
If you don't do your homework, the teacher will scold you.	If I met Barak Obama, I would ask him for his autograph.
If the dog bites me, I will not be happy	If I were a hotdog, I would eat myself.
If I have homework, I will not watch TV.	If rats had wings, they could escape from the cats.
When do we use the 1st conditional?	When do we use the 2nd conditional?
