

Dear Parents, FAN Advocates, Counselors, Youth Ministers, and others,

We are pleased to announce our **2024 Camp Sunrise**, held at Suttle Lake United Methodist Campground, is now accepting applications. A program of Hospice of Redmond, this weekend long grief camp for children ages 7 - 17 is offered free of charge to families June 14th-16th. (The teen program is brand new this year and will be offered to 13-17 year olds as a DAY CAMP on Saturday only 9am-9pm).

As always, we so appreciate and depend on your referrals. With your help, over 800 Central Oregon children have benefited from this amazing camp experience. If you know a family who could benefit from this experience, please offer them an application.

The brochure and an application form are attached. Please feel free to make copies for the family or direct them to our web site @ www.hospiceofredmond.org where they will find additional information and can also complete the application. Completed applications should then be returned directly to Hospice of Redmond..

If you have additional questions about our program, please call (541) 548-7483 or email me directly at Kat@hospiceofredmond.org

Thank you for your referrals and continued support of this opportunity for grieving youth in our community!

Kat Rachman (she/her)
Bereavement Coordinator
Camp Sunrise Director
