

About An Chih:

An Chih “Angela” Do, RDH, MEd, MAADH, FADHA has been practicing in pediatric dentistry for over 19 years as a dental assistant and hygienist. She is a speaker that brings impactful information to clinicians. Her background in film and television allows her creativity to expand beyond the operatory. As an immigrant and first-generation college graduate, she knows the impact that education can make. This awareness drives her to empower dental professionals with tools to better care for their patients.

A dedicated American Dental Hygienists' Association member, she has served at all tripartite levels, including as Speaker of the House for the Texas Dental Hygienists' Association. She is also the founder of the social media community Asian American Dental Hygienists and a proud mother of two young boys.
