Dear KMS football players and parents,

Welcome to the KMS Flag Football season. Here are a few basics about our program: Our goal in flag football is to develop and practice basic football fundamental skills, and provide a safe structured game setting to enjoy the sport. Flag Football begins at 2:30 and ends at 4:00 pm. Comfortable clothing should be worn; cleats are not required.

After the first couple days of skill development practice, we will begin playing games. Our team structure will be determined after we have had several practices. Should the weather be inclement or the field unplayable, a decision may be made to cancel the session. In the event of cancellation, participants will call and let their parents know before 2:20 if our activity is cancelled for the day. Spectators are always welcome.

Attached you will find a complete schedule of practice days and times. Please contact Mr. Block or Mr. Nelson at school if you have any questions regarding KMS Flag Football. 262-763-0190
