My Fellow Lions,

A great week here at OAS! We are thrilled to welcome you to our **Open House on Tuesday, September 16th from 6:00–8:00 PM!** Open House is always one of our favorite traditions of the school year—a time to open our doors, connect with families, and share the joy of learning that is already underway in classrooms.

Throughout the evening, you'll have the chance to meet your child's teacher, hear about classroom routines and curriculum, and spend time with the many specialists, and support staff, who make OAS such a special place. Classroom teachers will hold **two identical sessions (6:15–6:45 and 7:00–7:30)** so that families with more than one child can visit multiple classrooms. Between sessions, you are invited to stop by and connect with non-classroom staff and explore the resources that support your child's school experience.

We can't wait to see you, celebrate the start of the school year together, and continue building the strong OAS community that makes our school feel like family. More info can be found [here](#).

Meet the Staff - a new section of the family news that will introduce you to the OAS staff and their roles.

Important News -

- **Birthdays & Celebrations-** If your child is handing out birthday invitations in school, ALL students in the class must be invited. Otherwise, please refrain from sending them to school for distribution. Additionally, MPS Elementary schools have a “no food” policy in accordance with the [MPS Student Handbook](#). This policy keeps students safe due to allergy concerns. We do NOT use food as a part of our class celebrations (birthdays, holidays, end-of-year parties). Please do not send or bring food or candy to your children's classroom for parties or other reasons. For birthdays or other special events, we invite family members in to read a book or do a craft with students as part of the celebration. Please coordinate any visits with the classroom teacher well in advance.
- **Electronic Devices & Communication-** At the elementary level, no use of a cell phone/smartwatch or other personal communication device will be permitted during school hours. These devices must be turned off or on silent and left in backpacks, stored in a student's locker/cubby or other place designated by building administration. [Use of Cell Phones or Other Personal Communication Devices P-5131.81](#). Caregivers should not contact their children via electronic communication during the school day; they should contact the main office. This ensures that we minimize distractions and interruptions during the school day.
- **Community Connections Center** - Be sure to check out this week's CCC news on the [CCC Website](#) which is updated with links to community resources.

PTA News-

- **Back to School Picnic, TONIGHT! Friday September 12** - Come celebrate the start of the school year at the OAS Playground on September 12, from 5:30-7:30. In the grass field and big playground at the back right of the school. Bring a picnic dinner, hang out with friends, and make some new ones! Everyone is welcome!
- **"Laps With Leo" is back on October 9, 2025!**
Laps with Leo is our one big school wide fundraiser for the whole year! Students will run/walk laps with our mascot, Leo the Lion, all while raising money to fund ALL of our student, family and staff events for the year! Money raised pays for student and staff t-shirts, trunk or treat, school dance, field trips, and so much more!
Families can donate and share with friends and family members! Donate today and help us reach our goal!
You can start by visiting our fundraising page here

Or you can donate through Venmo, with note Laps with Leo **Venmo @oaspta25**
- **After School Programs:**
Chess - The next OAS Elementary **After-School Chess Program** by The Dawson Chess Academy, developed by Chess Olympiad participant and local Milford resident David Dawson and his wife Julianna, begins September 19th, 2025. The Dawson Chess Academy will help your child learn the basics of chess and develop strategic thinking skills that will last a lifetime.

This program is convenient and local, and it's an excellent way for your child to develop deeper relationships with friends (new and old) and have fun while learning an important skill. Sign up today! Space is limited.
