

YBP installs Drug-Related Slogan Signages in 2 Barangays

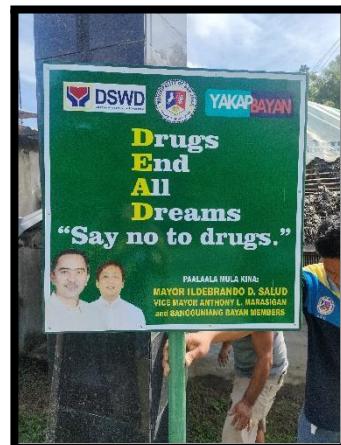

San Juan, Batangas – The Yakap Bayan Program of San Juan, Batangas started the installation of Drug-Related Slogan Signages along the barangay roads in Laiya Aplaya and Talahiban 2.0 last September 6 & 7, 2022.

The project is part of the Yakap Bayan Program's effort to install twenty-three (23) signages with slogans written and painted on a metal sheets and iron stand to assist RPWUDs to be reminded of their rehabilitation or treatment. These signages will also serve as a reminder to all for not using and taking drugs in their life.

Some signages were written in Filipino like “Kaalaman sa Droga ay hubugin, halina't kapit-bisig puksain ng makaiwas sa paglamon ng dilim at kapayapaan ay makamtan natin”, and “Kung ang DROGA ang kakapitan, pangarap ay mawawakasan kaya't nararapat itong iwasan, upang kinabukasan ay 'di masayang”. These were installed in balance with the English slogans such as “**DEAD: Drugs End All Dreams**”, “Drugs can give you happiness temporarily but it can end your life permanently”, “Put it out before it puts you out. No To Drugs” and “Drugs can ruin your life. Your life is too precious to be lost to drug abuse”.
