### ***Start of Profile***

Name: Joshua Bond

Position:

### Previous Positions:

Clearance Level: 4

Date of Employment: [REDACTED]/[REDACTED]/20[REDACTED]

### Background:

Joshua Bond, born in ██████████, England, possesses a distinguished background in anomalous research and containment. Prior to joining the SCP Foundation, Bond served with the British Intelligence Agency, where he specialised in the investigation of paranormal phenomena. His keen analytical skills and ability to remain calm under pressure quickly drew the attention of the Foundation.

### Training and Qualifications:

Bond holds a Master's degree in Paranormal Studies from the University of [REDACTED]. He completed the Foundation's rigorous training program with top honors, demonstrating exceptional proficiency in anomaly identification, containment protocols, and crisis management.

### Field Experience:

Bond has participated in several high-profile containment missions, including the apprehension of SCP-[REDACTED] and the successful containment of an XK-class end of the world scenario involving SCP-[REDACTED]. His ability to adapt to unpredictable situations and devise innovative containment strategies has earned him accolades from fellow Foundation personnel.

### Personality:

Bond is recognised for his stoic demeanor and unwavering commitment to the Foundation's mission. Colleagues describe him as methodical, disciplined, and always composed, even in the face of the most serious of situations. He maintains a strict adherence to protocol and encourages a culture of professionalism among his team.

### Notable Achievements:

Bond played a pivotal role in the containment and neutralization of SCP-[REDACTED], an anomalous entity with reality-altering capabilities. His quick thinking and decisive actions prevented a potential CK-class restructuring scenario. However, due to sustaining a life threatening injury, Bond was relocated to assist the [REDACTED] Department at Site-65 as an [REDACTED] and his career in [REDACTED] was over.
